

This folder contains the material used for the Online Treasure Hunt titled “Swipe Right for Science”. This event takes the format of a puzzle-based treasure hunt, delivered through an online platform such as Zoom. All material is protected under a Creative Commons BY license.

Files contained in this folder are the following:

- *visuals*: visuals for teaser and advertising of the event on social media platforms.
- *performance_videos*: intro and outro videos played to introduce the storyline of the treasure hunt.
- *treasure_hunt_for_participants*: puzzle content for the participants of the treasure hunt.
- *treasure_hunt_for_guides*: puzzle content with guidelines for the hosts and organisers.
- *evaluation_event_form*: evaluation form given to participants at the end of the event.
